

## INDEPENDENT LEARNING PROJECT TASK SHEET

<b>Subject:</b> Citizenship Yr 7	<b>Project title:</b> 'We Are What We Do At Imberhome'
<p><b>Project task:</b> One person can change the way we act every day – could it be you? What would you like 200 students at Imberhome to begin to do to change attitudes and day-to-day behaviour, to make people act responsibly and see the school as being part of the wider community? Plan a campaign which you think will encourage 200 students to make a difference. You can present your project in the form of drawings, posters and written pieces.</p> <p><b>Some ideas :</b> pick up rubbish when they see it; take time to listen; smile and smile back; recycle books; do something you think you can't do; turn off unnecessary lights; learn to be friendly in another language.</p>	

<b>In your project/campaign:</b>	
<p><b>You should:</b></p> <ul style="list-style-type: none"> <li>• DESCRIBE what a school needs to be a more supportive, caring, and responsible place.</li> <li>• CONSIDER how individuals can get together, making small changes that have a big effect.</li> <li>• EXPLAIN how the above can be achieved in practical ways; what would you have to actually do to make your idea happen.</li> </ul>	<p><b>You could:</b></p> <ul style="list-style-type: none"> <li>• SUGGEST who can help make these changes happen (from within the school, or outside in local government etc).</li> <li>• PROPOSE <u>who</u> you could influence and <u>how</u> you could influence others to make these changes.</li> <li>• OUTLINE what you think the result of these changes would be – how would these changes affect life at Imberhome.</li> </ul>

**Use the Learning Levels below to help you see what you should be aiming to achieve.**
