

INDEPENDENT LEARNING PROJECT TASK SHEET

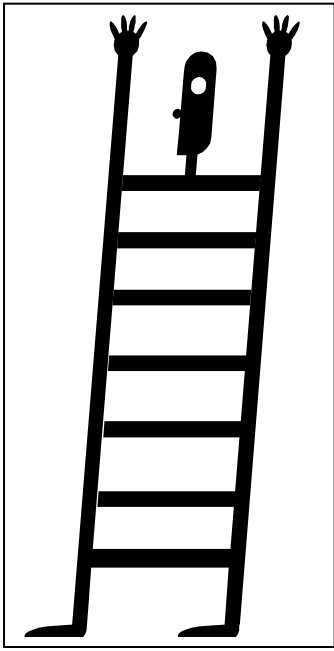

Subject: GEOGRAPHY Y7 **Project title:** Design a River Basin.

Project task:
 Create a model of a river basin (max. size A3).
 Label the river features
 Describe and explain the formation of each river feature.

- You SHOULD:**
- ❖ LABEL each river feature.
 - ❖ DESCRIBE each river feature.
 - ❖ EXPLAIN how each feature is formed.
- You COULD:**
- Base your model on an actual river valley
 - Mark on places of interest along your river valley

Use the Learning Levels below to help you see what you should be aiming to achieve.

Learning Levels	
LL5	Make a 3 D model of your river basin. Label and describe at least 5 features. Explain how each feature is formed.
LL4	Make a drawing or 3D model of your river basin. Label and describe at least 5 features Explain how at least two of the features are formed
LL3	Make a drawing or 3D model of your river basin. Label and describe at least 5 features Explain how at least one of the features is formed
LL2	Make a drawing or a 3D model of your river basin. Label and describe at least 3 features
LL1	Make a drawing or a 3D model of your river basin. Label and describe at least 2 features
