

INDEPENDENT LEARNING PROJECT TASK SHEET

Subject: Music Yr 8	Project title: Instruments
Project task: To research, develop and build your own musical instrument. Research into how sound is produced and changed in order to make your own instrument that can change pitches or be an un-pitched percussion instrument. The best instruments may be used during a performance of the trash Fashion show. This link will help... http://www.philtulga.com/HomemadeMusic.html	

With you project:

You should:

- Be able to demonstrate how your instrument works.
- Provide a plan or drawings of how you developed your instrument.

You could:

- Make sure that your instrument looks good – include some decorations.
- Try and learn to play a tune or a piece of music to perform.
- Show evidence of your research.
