(to confirm parental awareness of placement)

If you would like Mr Johnson to find you your community action placement then:

Type of placement preferred (eg. Very young children, the elderly, the disabled, primary school, charity shop)

Do you have a placement in mind (eg. Particular playgroup, nursing home, shop)

Transport: We expect students to make their own way to and from their placements. Parents can sometimes help. Don't forget , you will be at your placement all day and do not need to report to school. You will need to wear full school uniform (unless directed not to do so) and you will need to make arrangements for providing your own food and drink.

If you have any questions please talk to Mr Johnson before filling in the form.
