Press release – New Sports Hall for Imberhorne School

Imberhorne School are delighted to announce that £1.3million has been committed by West Sussex County Council for the building of a new sports hall at Imberhorne school. The school are in the process of fund raising with the aim of generating an additional £200,000 towards the project.

Heidi Brunsdon, County Councillor and School Governor said “Imberhorne is a large, highly successful secondary school and I hope that this significant investment will mark the start of a programme of continuing site development. This will enable the school to adapt more readily to the increasingly diverse needs of 21st Century learning.”

Headteacher, Jon Ford says ‘We are hoping to create a sports hall that contains not only a sizable indoor sports space but improved changing facilities, a fitness suite and a performance space for our expanding Drama, Dance and Performing Arts courses. This will be a school facility enjoyed by the community and reinforces our commitment to Sport and the Arts.’

Planning for the project will begin immediately and the school hope that building work will start during the next academic year.
