5th January 2009

Dear Parent(s)/Guardian(s)

As part of our broad and balanced curriculum, all Year 10 students will participate in a work experience programme from **Monday 13th July – Wednesday 22nd July 2009**.

The programme is a wonderful opportunity to highlight the links between our school and the world of work. The reciprocal partnership brings many benefits to our students in terms of newly acquired skills, which encourage our students to become more independent learners, and provides possible future career choices.

In order to explain the benefits and processes involved in our work experience programme, I would like to invite you to attend a Briefing Evening on **Tuesday 13th January 2009 at 7.30p.m.** at the **Imberhorne Lane Site**. During the evening, we will be offering parents/guardians a range of activities which help outline our programme and a chance to meet the staff involved in its organisation. There will be light refreshments available throughout the evening.

I would also like to take this opportunity to promote the joint Imberhorne/Sackville School Careers Convention on **Tuesday 3rd February 2009**. This event is being held at Imberhorne School (Imberhorne Lane) from **6.00 – 8.30p.m.**

The Careers Convention will house over 30 exhibitors ranging from Universities, army, navy, agriculture, hospitality, midwifery, building trades, British Gas and many more.

It is certainly not too early for pupils to start considering a range of future career options. This event will prove to be a valuable means of analysing different career paths.

Yours faithfully

Mrs P Jones
