**Hotel Alexander is a hidden gem in Giardini Naxos, Sicily!!**

My husband and I stayed at this quaint little hotel the 1st week of September 2016. The hotel, a small family run business is lovely. It is clean and comfortable, and the location is absolutely perfect. We were able to walk to the beach, and the beautiful little town of Giardini Naxos. The service and breakfast at the hotel was perfect, and we found the staff exceptionally helpful, especially Sofia!! We recommend this little hotel to everyone!!
