March 2020

Dear Parent(s)/Carer(s)

Every year we hold a Relationships and Sex Education day for students in Year 9, and this year it will be taking place on Thursday 12<sup>th</sup> March.

The event will run during normal school hours and all Year 9 students will be off-timetable for the whole day attending various sessions and workshops. Some of which are being led by external agencies, such as the school nurse and some by our own staff.

Topics that will be covered include:

- Contraception
- Sexual Health and STIs
- Sexual Harassment
- Sex and the law
- Being a parent

We would encourage you to talk to your child both before and after the day (if at all possible!), as this can really help them clarify their thinking and dispel many myths. Research shows that schools play an important role in supporting young people to access accurate information around these topics and we hope they find the day useful and informative.

If you have any questions, please feel free to contact me.

Yours faithfully

Mr D Monckton – Leader of Personal Development
