Three-year strategic plan

1. Form a bedrock of **excellent provision and pedagogy** for all students from Key Stage 3 to Key Stage 5, building upon a **high challenge, high support curriculum** that has clear and inclusive pathways to ensure **all students are ready for the best possible outcomes and next steps.**
2. Develop the **whole child** through a comprehensive Personal Development offer in the curriculum, **extra-curricular and student leadership**, always ensuring that this is **through an anti-discrimination and anti-disadvantage lens** so that all students feel safe and successful.
3. Connect further with the **community, external partners and facilitate greater collaborative working** within the soft Federation to maximise benefits and ensure **readiness for challenges ahead.**

What kind of Sixth Form are we?

- **High challenge, high support.**
 - **Small enough to know every student.**
 - **Big enough to offer a broad curriculum.**
- **Focused on the needs of our community.**
- **Committed to the whole student through enrichment and extra-curricular.**
