Dear Parent(s)/Carer(s)

Essential Information for Year 7 Parents – Thursday 20th September

I am delighted to invite you to our Essential Information evening for Year 7 Parents and Carers on Thursday 20th September at Windmill Lane. Year 7 students are not expected to attend as the information given is intended for their parents and carers.

The main presentation, led by Headteacher Mr Brown, will be in the Main Hall at 6.30pm. We strongly recommend that you attend this presentation to obtain essential information regarding your child's progress through Year 7. Towards the end of the presentation, our Network Manager, Mr Melmoe, will introduce you to SIMS Online; an electronic system allowing you to see up to date information about your child, including homework. If you have an older child in the school, you will be familiar with its predecessor 'SIMS Learning Gateway'. We are confident that this new system will be much more user-friendly as it is accessible via both a web browser and the new SIMS Parent App.

There will also be optional sessions on which to book a place, run by other members of staff before the presentation and they consist of the following:

- **How To Support Your Child To Achieve Their Potential And Beyond** – Mrs Quick will introduce the concept of growth mindset and how this can make all the difference to achievement.
- **Apps And Websites To Aid Learning** – Mr Kay will share a number of key programmes that will enable you to further support your child's learning outside the classroom.
- **Friendship and Emotional Issues When Starting Secondary School** – Many young people feel anxiety and struggle to cope with change. Mrs Yates (Inclusion Manager) and Mrs O'Dell (Head of Year 10 and experienced pastoral leader) will take you through strategies and ideas that you can use with your child when the going gets tough!
- **E-Safety** – Dr Barr will explain how you can ensure that your children are using the internet safely and minimise risk online.
