Dear Parent(s)/Carer(s)

**Year 8 Essential Information for Parents Evening – Wednesday 10<sup>th</sup> October**

I am delighted to invite you to our Essential Information for Year 8 Parents on Wednesday 10<sup>th</sup> October at Windmill Lane. Year 8 students are not expected to attend as the information given is intended for you as their parents/carers.

The main presentation, led by Headteacher Mr Brown, will be in the Main Hall at 6.15pm. We strongly recommend that you attend this presentation to obtain essential information regarding your child's progress through Year 8.

There will also be optional sessions run by other members of staff both before and after the main presentation and they consist of the following:

- How To Support Your Child To Achieve Their Potential And Beyond – Mr Turner will continue to develop the concept of growth mindset and how this can make all the difference to achievement, as first introduced when your son/daughter began in Year 7 – you do not need to have attended part 1 of this session.
- Numeracy – Mr Kay will guide you through some useful tips and information to help support the development of your son/daughter's numeracy skills. This is a repeat of the session that is offered to Year 7 parents.
- Literacy – Mrs Jones will lead this session on the importance of literacy and how it interlinks with other subjects across the curriculum
- E-Safety – Dr Barr will explain how you can ensure that your children are using the internet safely

There will be limited spaces available in the optional workshops and we therefore ask that you book your place if you wish to attend.
