Dear Parents/Carers

It is hard to believe that there are only two weeks left of term. I hope thoughts of excitement are now turning towards moving to secondary school.

We have now allocated all the students to tutor groups with a Form Tutor. On Wednesday 14th July you will receive an email with the name of the form and a link to the Google Meet on Monday 19th July. The meetings will be for 30 mins at either 3.30pm or 4.00pm. This will be an opportunity for all students to see their Form Tutor and the students in their form. In that email we will provide some guidance about the expectations from the students attending the meeting.

Mr Brown, Headteacher, currently writes to all parents every Friday, and we will now make sure that you are included in this email as well. This will let you know about some changes to the start of term in September. We have to mass test all students before they return to school so we have moved the Year 7 induction day to Monday 6th September. Year 7 students will have their testing take place on Friday 3rd September at Upper School. You will be able to book a slot for this and the email will provide all the details of how to do this.

Below there is some final information which we think will be helpful.

School transport allocation for September.

All students will receive a letter advising them of their allocation during the summer holidays which is usually sent the second week of August. If you have any queries please ensure you contact the County Council who will be providing the transport using the information detailed below.

- For students who live in West Sussex and whose families pay their council tax to Mid Sussex District council any transport queries are to be directed to the allocation team on 01243 753530 or by clicking on the link below:
