Data Check

- Please use the “Update Information” option in EduLink One to check the data we hold
- We need at least two contacts on record in case of emergency
- Electronic data we receive from primaries is of variable quality!

Assessment & Reporting

- At Imberhorne, we use a 'Flight Paths' approach to assessment at KS3
- This means that our focus as teachers is on the long-term goal of preparing students for success at GCSE and beyond
- Students in Year 7 will be placed on one of four flight paths for each subject

Flight Paths

- In the first term, departments will complete a number of assessments to ensure students have been placed on the correct Flight Path for each subject.

Flight Paths

- In December we will send you a letter which will explain the system in more detail and confirm the Flight Path for each student in each subject.
- Departments will continue to monitor the students' progress and move the students between Flight Paths where applicable across KS3.
